AIRCARE SOLUTIONS GROUP CELEBRATING NEW TRAINING FACILITY IN LONG BEACH WITH OPEN HOUSE LUNCHEON FOR BUSINESS AVIATION COMMUNITY

Aircare Solutions Group is celebrating the opening of their new emergency procedures training facility in Long Beach, CA with a catered luncheon for the California business aviation community on September 26th 2013.

The company will also be unveiling it's latest and largest full-motion cabin simulator dubbed FACTS VIII. The simulator boasts new motion technology, and a host of other new training features including a simulated lithium battery fire in a laptop.

In addition to a great lunch, guests will have a chance to catch up with colleagues from other flight departments, and have afternoon 'play-time' with Aircare FACTS Training's unique training tools including hypoxia awareness trainers, walk-in fire trainer, simulator drills and BBJ slide and exits.

Aircare is providing transportation from Burbank and Van Nuys airports to Long Beach mid morning and returning mid-afternoon.

This is an RSVP only event. Those interested in attending should contact Dale Eldredge at Aircare Solutions Group for details. dale.e@aircaresolutionsgroup.com or 360-754-9805.
